

Dear Editors of Sensors,

We are resubmitting our manuscript entitled [SRDFNet:A Network with Semantic Interaction Refinement and Differential Feature Enhancement for Semantic Change Detection in High-Resolution Remote Sensing Images] for consideration as a research article in the journal Sensors.

In our previous submission (Manuscript ID: sensors-4243246), the author list recorded in the submission system was inconsistent with that shown in the manuscript. Following your guidance, we have now corrected and supplemented the complete author information in the submission system with this new submission ID.

The full author list of this manuscript is as follows:Wenbo Zhao^{a,1}, Yingjun Zhao^{a,1}, Keyue Chen^{a,2}, Donghua Lu^{a,*}

We confirm that neither the manuscript nor any parts of its content are currently under consideration for publication with or published in another journal.

All authors have approved the manuscript and agree with its submission to Sensors.

We sincerely hope this revised manuscript can be considered for peer review. Thank you for your time and kind assistance.

Sincerely, Donghua Lu
